Important to:

- Focus on the needs of children not schools
- Think about the next generation
- Share information
- Trust one another
- What will work, and what will not work?

Falling birth rate - Nationwide

The average family should settle at 1.7 children

Right now, 60% of 30-35 yr olds have no children

1981	2001
Average age to have first child	
24	27
Women who never have children	
10%	20%

Surplus places in Wirral

In 2007

13% empty places

Spending £4.2 million pounds or £165 per primary pupil on empty spaces

By 2012

15% surplus places

1 in 4 schools will have more than 25% surplus places

Surplus places – why do we need to act?

- Audit Commission says surplus space in schools should be between 5% and 10%
- Above 10%, wasting money supporting empty classrooms
- 4%-5% allows degree of parental choice
- No school should have more than 25% surplus – annual return to Government

Creative removal of surplus

| LA and Schools have created: | And removed: |
| <ul style="list-style-type: none"> • ICT suites • Libraries • Parents rooms • Pre-school playgroups • Afterschool/Breakfast clubs • Adult Learning facilities • Bases for other services | <ul style="list-style-type: none"> • Temporary mobiles |

Many complicated factors

- Surplus places
- Small schools
- Standards
- Location
- Where parents choose to send their children
- Value for money
- Catchment zones
- Housing changes
- Traffic and transport
- Denominational issues

How small is small?

- School Organisation Plan (2003) says under 210
- Wirral Policy (2005) says under 180
- DCSF (2005) says under 150

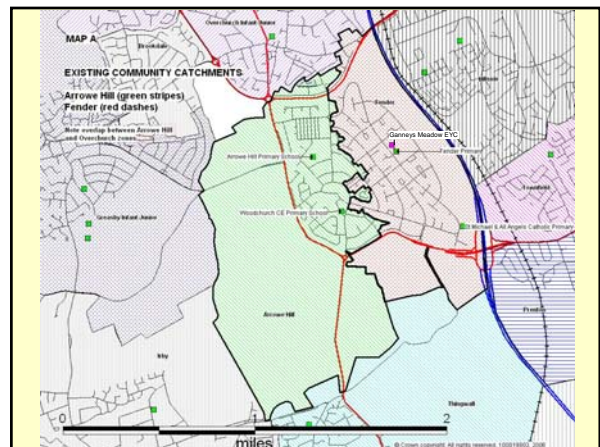

Small Schools

- Financial – maintaining small school is at the expense of all children
- Organisational issues – mixed age classes
- Additional burden on staff
- Curriculum issues

Surplus places in Woodchurch Area

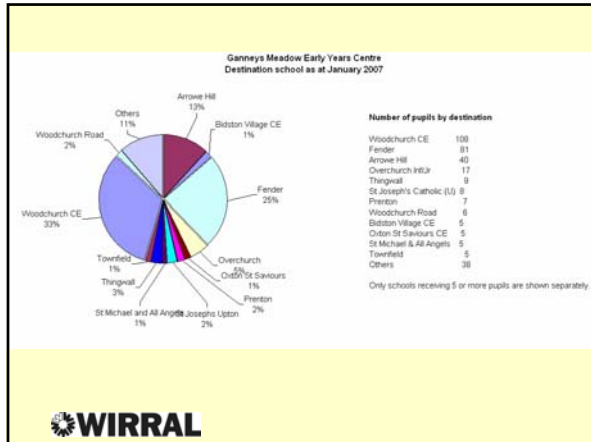

In 2007
20% surplus places

By 2012
26% surplus places

We must act to reduce surplus places

What Ofsted said (2007)

- Nursery provision is outstanding.
- Makes a very real difference to children's and families lives, providing exceptionally good value for money.
- As part of a Children's Centre, wide range of specialist services meet needs of children and families exceptionally well.
- Progress is outstanding across all areas of learning.
- Essential number and communication skills and ICT use is exceptionally well developed.
- Achieve a strong foundation on which to build future learning.
- Learning opportunities and teaching are outstanding.
- Assessment significantly improved, ensuring rapid progress.
- Exciting and constantly changing range of activities.
- Progress in creative and physical development, and in understanding the world around them, is outstanding.
- Beginning and end of day arrangements for handover are excellent.
- Parents are encouraged to be active partners in their child's education.
- Children are very well informed about healthy living.

What Ofsted said (2007)

- Personal and social development is a major strength.
- Children share and cooperate exceptionally well for their age; they thoroughly enjoy their learning and persevere with tasks. This prepares them very well for their future education and results in a very busy, purposeful but enjoyable nursery atmosphere.
- Improvement since the previous inspection is excellent.
- The outstandingly dedicated and visionary leadership of the head and deputy has succeeded in developing the scope of the nursery's work, integrating education, social and health services within the Children's Centre.
- Hard working team of staff is exceptionally well supported by a dedicated body of governors.
- Attention to safety issues, including checks on the suitability of staff and helpers, is meticulous.
- Outstanding capacity for the nursery to sustain its high quality of provision and enjoy continued success, relishing the opportunities and challenges it faces.

Possible options for Woodchurch

- A: Closure of Arrowe Hill Primary School
- B: Closure of Fender Primary School
- C: Amalgamate Arrowe Hill and Fender on either
 - C1 The Arrowe Hill site
 - C2 The Fender site

A – Closure of Arrowe Hill

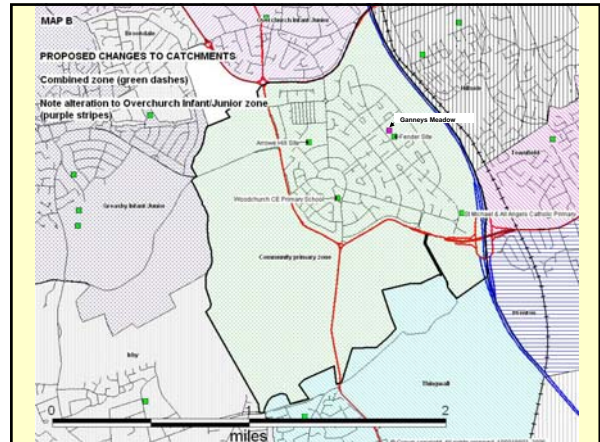

- Small school
- 73% of children in the catchment already attend other schools, mainly Woodchurch CE, Overchurch and Fender
- Fender nearby
- 21 other primary schools (inc Inf/Jr as single school) within 2 miles
- Building improvements would be made to receiving schools
- Catchments rezoned

B – Closure of Fender Primary School

- Small school – around 180 pupils
- 60% of children in the catchment attend other schools, mainly Woodchurch CE and Arrowe Hill
- Arrowe Hill nearby
- 24 other primary schools (incl Inf/Jr as single school) within 2 miles
- Building improvements would be made to receiving schools
- Catchments rezoned
- SEN bases relocated

C – Amalgamation of Arrowe Hill and Fender at either site

- Combined school at either site
 - C1 Arrowe Hill – can reinstate Infant building if required
 - C2 Fender – internal adaptations
- Pupil populations overlap – can transfer to new school together
- New school around 300 pupils on roll
- Two sites just over half a mile apart
- Building improvements would be made
- Catchments rezoned
- SEN bases located at the new school (on either site)

What happens next?

March 2008

Consultation ends

May/June 2008

Recommended options report goes to Cabinet

Autumn 2008

Statutory notices published (if required), representation period begins

December 2008/January 2009

Proposals to Council's Decision making body and/or to School's Adjudicator

Note that if decision is for amalgamation to form a new school – will add approx 6 months to the process as may require a statutory competition

What will happen after the review

- Places for all the children in local schools
- Parents say which school they would prefer their child to attend
- Admissions criteria place the children
- Children move together so will have friends in their new school
- Enhancements to receiving schools
- Community catchment areas revised
- Staff redeployed
- Council decide future of any closed community site

Earliest date for any option is September 2009

Remember:

- The Council must address these issues
- A decision has not yet been made
- This is not about saving money for taxpayers
- It is about spending money more wisely
- We must find sensible and effective solutions based on all the factors involved.
