

The Vikings in Wirral

The Story of Ingimund Jigsaw Puzzle

Print the jigsaw onto some card – you can print it in colour or black and white.

If you don't have any printer card simply print it onto paper and use some glue to stick it to the back of an old cereal packet.

Now cut out each piece of the jigsaw. You should ask an adult to help you with this as scissors can be very sharp.

Now see if you can put it back together.

Have fun!
