Dear Colleague

Please find as an attachment the Education Inclusion Plan 2005-2006 adopted at Select on 17th January 2005.

The plan has been developed after consultation during the Autumn term. Could I take this opportunity to thank all of you who contributed. The SENAC Committee has decided that as part of its future work it intends to spend time reflecting on the responses that were submitted. I would be grateful if you could make the plan available to staff.

Yours sincerely

Howard Cooper
Director of Education & Cultural Services
